

BarracloUGH Hall School

Weekly Newsletter Issue 1: W/C February 24th

We are officially open!

Miss Cubley, Headteacher: Firstly, a very warm welcome to our new students, parents/carers and staff. Since starting with Polaris at the start of November 2024, the past few months have been an incredible journey with the transformation of the school building and grounds into an exceptionally warm and welcoming school. Over the past few months, we have continued to receive outstanding feedback from visitors from across Yorkshire including parents, carers, local authorities and the local community.

We have had a wonderful first week at BarracloUGH Hall school opening our doors and welcoming new students and staff where students have started to connect with staff and each other, engaging in activities and creative learning. It has been an absolute pleasure starting to get to know our students and we are really impressed with how smart they look in their uniform.

We have implemented personalised learning as part of transitions for Crystal class, our first official group, which has been a great success. We have exciting plans for further personalised learning, whole school curriculum and school development as we now start to grow. Students are already having a positive input with student voice and discussing some great ideas of their own. The staff at BarracloUGH Hall have enjoyed getting to know each other and creating relationships with new students. We are looking forward to developing our school, engaging with the local community and sharing achievements, stories and exciting news to you.

Uniform. The next uniform order will be made shortly. Please note that payment needs to be made with cash at the school office or bank transfer before any orders are placed. Details can be found on the admission form, uniform tab. [Admission Pack - BarracloUGH Hall School](#)
