

## Barraclough Hall School

### Weekly Newsletter Issue 2 – W/C March 3rd

#### National Wildlife Day

We celebrated National wildlife day here at Barraclough by using modelling clay to create animals we see in the wild. The students researched facts about the animals they had made to further their knowledge about wildlife and created some beautiful creative writing.

#### Pancake Day

We had some flippin' great fun on pancake day with students making and cooking for themselves and staff. They were also keen to develop their skills and experimenting with different food textures and tastes for toppings,

Did you know around 52 million eggs are used on pancake day?

#### World Book Day

Our first world book day was a great success! Staff and students dressed up as lots of different characters and had lots of story related fun. We even had a Mr Iredale lookalike! Staff and students were keen to discuss their favourite books and characters in a fantastic group discussion.

Crystal class have had a great 2<sup>nd</sup> week in their new school, working together on different mini projects such as mental maths, language research and sport leadership with one student teaching another student how to play table tennis. Great work!

#### Dates for your diary: Spring Term 2

Red Nose Day: March 21<sup>st</sup>

End of spring 2 break up: April 4<sup>th</sup>
